Do we have confirmation from MSP that they will be attending on Monday? Last I heard (at our meeting with NAGE) this was just a tentative date.

Hi Marianne,
We have a meeting scheduled at the Lab for Monday with the MSP to start thinking about how to address issues that will arise. Did you hear anything back from the unions? If they have a list ready it might be helpful for the Lab and MSP managers to go through them on Monday to make sure we're all on the same page when we meet with the staff. Thanks.

Grace

Linda,

I followed up with Matt, after the unions meet with the employees we can see what they put together as issues/questions/concerns and then look to schedule a meeting with management from DPH and State Police.

Thanks
Marianne

Dr. Han,

This is a courtesy note that the Drug Laboratory personnel will be having a "brown bag lunch meeting" this coming Thursday with reps from our unions MOSES and NAGE. We will be raising some of our concerns about the lab consolidation and proposing clarifying questions for the State Police to consider.

Sincerely,
Mike Lawler
